Superannuation & Retirement	The successful candidate will be offered the appropriate superannuation terms and conditions as prevailing in the Public Service at the time of being offered an appointment. In general, an appointee who has never worked in the Public Service will be offered appointment based on membership of the Single Public Service Pension Scheme ("Single Scheme"). Where the appointee has worked in a pensionable (non-Single Scheme terms) public service job in the 26 weeks prior to appointment or is currently on a career break or special leave with/without pay, different terms may apply. The pension entitlement of such appointees will be established in the context of their public service employment history. Key provisions attaching to membership of the Single Scheme are as follows: - Pensionable Age: The minimum age at which pension is payable is 66 (retirement age is linked to State Pension Age). - Retirement Age: Scheme members must retire on reaching the age of 70. - Career average earnings are used to calculate benefits (a pension and lump sum amount accrue each year and are up-rated each year by reference to CPI). - Post retirement, pension increases are linked to CPI.

Please note: In applying for this position, you are acknowledging that you understand that the abatement provisions, where relevant, will apply. It is not envisaged that the employing Department/Office will support an application for an abatement waiver in respect of appointments to this position. However, if the appointee was previously employed in the Civil or Public Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER), the Department of Health Circular 7/2010 VER/VRS or the Department of Environment, Community & Local Government Circular letter LG(P) 06/2013, any of which renders a person ineligible for the competition) the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements may, however, be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.
Department of Education Early Retirement Scheme for Teachers Circular 102/2007	The Department of Education introduced an Early Retirement Scheme for Teachers. Pension payments will, however, be resumed on the ceasing of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension

	will be based on the person's actual reckonable service as a teacher (i.e. the added years previously granted will not be taken into account in the calculation of the pension).

This may have implications for any appointee who has acquired pension rights in a previous public service employment.
